

# KEEP IT CLEAN

## 'cause WE'RE ALL DOWNSTREAM

---

**STORM DRAINS LEAD TO CREEKS!**

---

## KEEP IT CLEAN TIPS

- 💧 Clean up after pet & put waste in trash.
- 💧 Check for leaks & recycle motor oil.
- 💧 Use fertilizer sparingly.
- 💧 Keep paint & oil out of storm drains.
- 💧 Wash car at a commercial car wash.

# LOOK AROUND

## FIND THE NEAREST STORM DRAIN!

Keep the area around the storm drain free from debris. Nothing but rainwater should go into the storm drain.

Your neighbors are applying storm drain markers as a reminder that storm drains in your community lead to the nearest creek.
